SLING Days

Central European Regional Group Meeting

Industry focus

3-5 December 2024

Industry focus topics for the discussion

- Customer journeys / service delivery
- PoC in EuroCC2 and EuroCC3
- Industry KPIs for EuroCC3
- Interaction between NCCs/CoEs for smooth collaborations

Customer journeys / service delivery

- What are the main blockers with onboarding companies?
- What ways did you find successful to attract them and provide them services?
- How do you provide services since we you are limited with effort and lack of experts which are part of NCC?
- Do companies get EuroHPC clusters access or do you provide them some internal resources? What is the ratio?

PoC in EuroCC2 and EuroCC3

- What is not working with PoC now and how do we change this for EuroCC3?
- What is unclear with current guidelines?
- Are we OK with TRL level?
- What about Big industry collaboration?

Industry KPIs for EuroCC3

- How do we define common KPIs since NCC are not all the same size/knowledge/expertise?
- How many were interested in services?
- How many actually started using something?
- How many of them started and finished a PoC?
- How many of them were then involved in another nation/international project like FF+?

Interaction between NCCs/CoEs for smooth collaborations

- Who of you have establish a collaboration and in what way?
- Did you find any companies who can use services provided by CoS?

Thank you for attention!
