

SLING

SLING Days

Central European Regional Group Meeting

3-5 December 2024

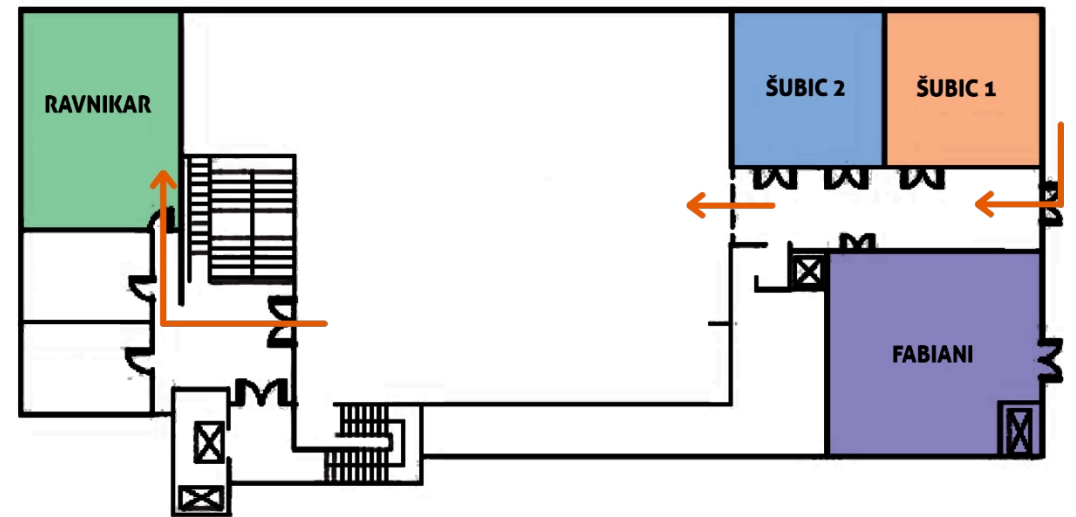

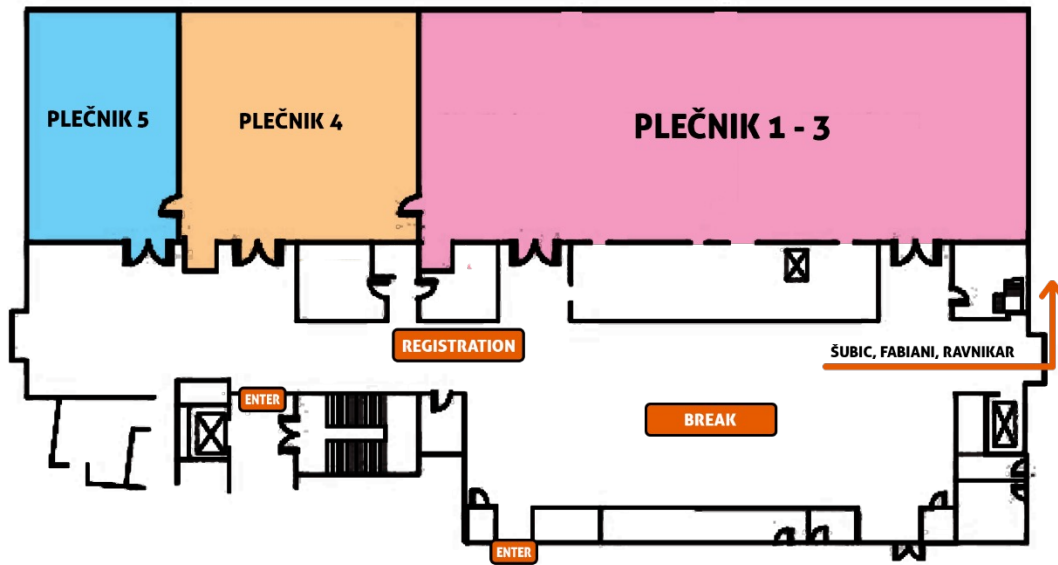

SLING days 2024 - Central European Regional Group Meeting

- The NCC Central European Regional Group Meeting at SLING days 2024 present a great opportunity to share your NCC thoughts.
- It would be great to hear from several NCC-s what works well for you, the do's and don'ts for discussed topics.
- Each of the focused topics will have 30-60min of discussion time available, preferably in a round-table setting that enables more vivid exchange.
- We support hybrid attendance during the meeting.

Agenda

Time	Description	Location	Moderator
13:30 – 14:30	Lunch and registrations		
14:30 - 16:30	Welcome address	Šubic 1	D. Harish and P. Tomšič

NCCs introductions

- Time for you to start shining ☑

NCC Slovenia – National Competence Centre SLING

NCC Slovenia Activities

- Help users and anyone interested in using supercomputers to learn, access and use.
- Free training, promote the use of supercomputing facilities and build a (super) community.
- Raise the level of knowledge in Slovenia and increase awareness of all the benefits of supercomputing.

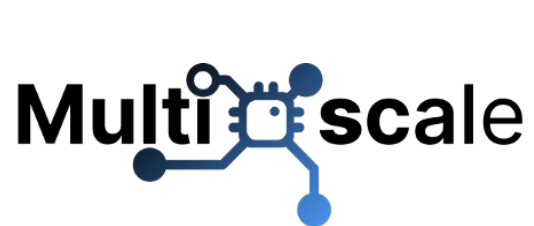

Slovenian National Supercomputing Network

- 21 partners
- Coordinated by ARNES
- Consortium of different partners that provides computing and storage resources, technical support and online services to researchers in Slovenia.
- Coordinates and promotes the development of supercomputing in Slovenia and beyond. It provides expert support for end-users and system administrators.

NCC Slovenia Collaboration

- EuroCC 2 network: other NCCs
- Central European Regional Group
- CoEs

- National collaboration: DiHs,

Events

- Open Day of Slovenian Supercomputing Centres or Exascale Computing Day (18 October)
- Slovenian Supercomputing Network Days (3-5 December 2024)
- Workshops and seminars: <https://indico.ijs.si/category/29/>
- Presentations at trade fairs and conferences, events ...

ASHPC25

Austrian-Slovenian HPC Meeting 2025

An annual HPC event uniting scientists and technicians to discuss cutting-edge research and the evolving supercomputing landscape in Europe.

Rimske Terme, Slovenia
19–22 May 2025

Key Dates:

Submission Deadline:	Registration Deadline:	Welcome Dinner:	Conference Program:
10 January 2025	15 February 2025	19 May 2025	20–22 May 2025

Central European NCCs Workgroup Meeting:
fostering regional collaboration
19 May 2025.
